GENERAL PET CLEANING INSTRUCTIONS

These are the things that I personally use for my chinese shar-pei

(These are things that have worked for me here in South Mississippi. Please check with your personal veterinarian if what I have suggested doesn't seem to be working or helping the situation.)

SKIN / FUR:

SHAMPOO: I use Vetoquinol Care Aloe & Oatmeal Shampoo

- EctoKyl 3X Flea and Tick Shampoo (DVM Pharmaceuticals)
- PearLyt Shampoo (DVM Pharmaceuticals)
- Relief Shampoo with Pramoxine & Colloidal Oatmeal
- I sometimes use DAWN for fleas
- Murphy® Original oil soap (this is what i wash my adult show dogs with)
- Adams Plus Flea & Tick Shampoo with Precor
- Nolvasan Shampoo & Conditioner

BLOWING COAT: for my dogs that are blowing coat i use vetoquinol care

- Triglyceride Omega
- Omega-3 Fatty Acids

EARS:

If you think your dog stinks, check his ears and try to keep his ears clean. This may be where the smell is coming from.

EAR CLEANER: I use Dechra TrizULTRA Plus Keto Flush for Cats and Dogs (my vet adds Azium Powder in the bottle)

- Gent-L-Clens
- Nolvasan Otic Cleansing Solution

EAR MEDICINE:

- Otomax Ear Drops (yeast infections)
- Baytril Otic Emulsion for Dogs

EYES MEDICINE:

Neobacimyx Eye Ointment

I buy all my Shampoo, Ear Cleaners and Omega 3 from Chewy.com

If you have any questions please call me or have your vet call me or have your vet call my (601) 731-1232
